Project Monitoring and Final Reporting

- Each applicant is required to make a commitment to complete activities and deliver outcomes defined across the four investment strategies.
- Grants are monitored at the regional and state level. First, by the Regional Councils and again at DHCD via quarterly progress reports through our grants management system.
- Performance Close-Out Reports and Narratives are submitted with an attestation by the Regional Council Leadership, the designated regional Support Organization.
- These are reviewed and approved by DHCD staff, and final project outcomes are recorded.
- DHCD uses the grant management system and tools, such as Tableau, to evaluate project performance.
