TO ALL PALM LEAF MOBILE HOME PARK TENANTS

It is time for me to consider retirement! The first step in that process is to offer the Park for sale AS A MOBILE HOME PARK. State law requires that I give you 90 days' notice before I offer it for sale.

It's been a generally good career that I couldn't imagine – with a few bumps in the road, like any endeavor. Thanks for being a group that wants and makes Palm Leaf a good place to live and is sought after!
